

Please remember that all work (including worksheets and online learning) is now available on Seesaw. Please contact the school if you have not yet received your password to access Seesaw.

English Lesson 21
Phonics:
Practise your sounds each day to get more right each day

s	a	t	i	p	n	c	k	e
h	r	m	d	g	o	u	l	
f	b	ai	j	oa	ie	ee	or	
z	w	ng	v	oo	y	x	ch	
sh	th	qu	ou	oi	ue	er	ar	

Choose one of the sounds you don't know. Find or draw 3 things that have that sound in them.
Write a sentence with your new sound.

English Lesson 22
Writing:
Write about the **sun**
How many sentences can you write?
Here is one to start you off.
The sun is hot.

Remember your capital letters and full stops.

English Lesson 23
Tricky Words:
Recap the following tricky words **me, be, all, my, are was you**
Watch:
<https://www.youtube.com/watch?v=R087YrRpgY>
Learn to read and write **they**
Write some sentences that begin with **They.....**

English Lesson 24
Reading and Writing:
Practise reading the words on the word mat: sun, t-shirt, parasol, sun cream, sunglasses, water, hat, drink, sunburn, sunburn.
Choose some of the items and write about how they protect you in sunny weather.

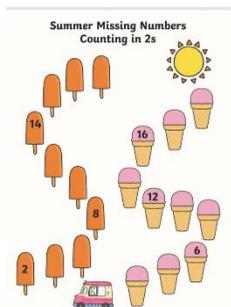

English Lesson 25
Talking and Writing:
Weekly Review
Talk about your week...
What do you think has gone well this week?
What have you learned?
What was the best thing that has happened or you have done?
Write some sentences about what you have liked.

I liked.....

Maths Lesson 21
Counting in 2s
Count to 20 in ones: 12345....
Now whisper 1, shout 2, whisper 3 etc
Now count in 2's; 2, 4, 6...
Write these numbers
Access Seesaw for pre-made sheet. (This activity does not require printing).

Maths Lesson 22
Subtraction from 10
Access Seesaw for pre made sheet (this activity does not require printing).

Make 10 playdough balls. Squish 4! How many do you have left?

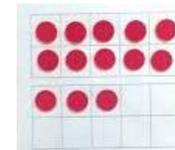

Make 10 playdough balls. Squish 3! How many do you have left?

Make 10 balls of play dough. Squish 2,3,4,5... How many left?
Can you write a number sentence to go with your squishing!
e.g. 10-2=8

Maths Lesson 23
Teen numbers

Access Seesaw for pre made sheet (this activity does not require printing).
Look at the numbers represented on the ten frames. Count **on** from 10 to work out how many there are, circle your answer if you are on Seesaw. If you don't have Seesaw draw amounts onto 2 ten frames and work out how many altogether.
Remember if frame is full there are ten, you don't need to count each time, just count on...

Maths Lesson 24
Subtraction/Decomposition
You need 2 ten frames and 20 buttons/pieces of pasta/buttons/counters
Access Seesaw for pre made sheet (this activity does not require printing).

With 2 ten frames make a teen number
e.g. 13,
then take away 3
So 13-3= _____
Can you do that with other teen numbers? E.g. 14-4=

Maths Lesson 25
Number ordering
Write down 10 numbers from 1 to 30 onto small pieces of paper.
Put the numerals in a bowl.
Take out 3 numbers-put them in order from smallest to biggest.
E.g.
2,15, 30

<p>Wider Curriculum</p> 	<p>Wider Curricular Lesson 21 Physical Development: Cutting Make a sun mobile Cut out a circle, cut out 6/8 long narrow rectangles or triangles. Use yellow paper if you have it, if not colour or paint your sun yellow. Stick the rectangle/triangles around the circle. Decorate, attach a string and hang up your mobile. Have fun and send in photographs of your creations.</p> 	<p>Wider Curricular Lesson 22 Art: Observational Drawing. Collect at least 3 leaves that are from different trees. Look carefully at the leaves. Talk about their colour, shape and size. Do you know the name of the tree they come from? You could look it up on the internet. Draw your leaves. Colour them, try to match the colour to that of the real leaves.</p> 	<p>Wider Curricular Lesson 23 Understanding the World:</p>  <p>Open this power point and look through it. Can you draw some things that help you stay safe in the sun?</p>	<p>Wider Curricular Lesson 24 Music</p> <p>Practise The Sun Song</p> <p>https://www.youtube.com/watch?v=OBnDKfHtcd0</p> <p>Can you make up actions? Record these on Seesaw.</p>	<p>Wider Curricular Lesson 25 Technology:</p> <p>Draw a picture of a sunny day on your computer, laptop or ipad.</p> <p>You could use the programme 'Paint' or Seesaw to do this.</p>
