

Calling all parents, carers, family members and the wider community of Huntingdon Academy!!

## WE NEED YOUR HELP!

At Huntingdon Academy, we are passionate about ensuring our children gain the best possible education. We are also committed to **every child feeling represented and reflected** in the curriculum we teach and importantly, the books we share. Ensuring pupils have access to new and rich literature is a costly task. So, the staff have put together a dream wish list of the most amazing books for their classroom which reflect and showcase the incredible & diverse school we are. We want each classroom to have its very own special library.

We are regularly asked by parents, carers, grandparents and friends of the school as to how you can support the school. We have therefore set up an Amazon wish list. If you would like, and are able, to support the school and our children, please buy one of the books on our Amazon wishlist. This will arrive at school a few days later and be added to the children's class library.
